Sir:

AMENDMENT

In response to the Communication from the U.S. Patent and Trademark
Office mailed January 31, 2003, and specifically in response to the Office's

suggestion to consider filing an amendment replacing the chemical formula in

paragraph 46,¹ Applicants respectfully request that the application be amended
as follows.

IN THE SPECIFICATION:

Please delete the chemical formula in paragraph 46, page 13 of the
specification as originally filed and replace the formula with the following:

¹ In response to Applicants' Request for Correction of Patent Application Publication under 37 C.F.R. § 1.221(b) of the chemical formula in paragraph 46, the Office refused to correct the Office's error and suggested filing an amendment to replace the chemical formula in the specification as originally filed "as many of the subscripts in the chemical formula are not legible."
